about us

HOW WE MET

We met in 2017 on Match.com! After a few weeks worth of emails and phone calls we went on our first date. 8 Months after that first date Andrew proposed while playing at a volleyball tournament in Dallas, TX. Dallas was special to me(Megan) because I had lived there in my mid-20s for part of my schooling. Andrew even had my best friend fly in from Canada for the surprise engagement! 8 Months later we got married with our closest family and friends there to celebrate. In the Winter of 2019 we welcomed our oldest, Lincoln. Then, in the Summer of 2020 our son Silas joined our family through adoption. 2 years after that, our daughter Lillie was born. Together as a couple we love visiting family, going out for dinner, hosting game nights with friends, and attending sporting events for our oldest kids (soccer and swimming currently).

a little about

ANDREW

Andrew grew up in a close knit community near St. Louis. He has two brothers and one sister. His parents have been married for 39 years. He is an Uncle to six nieces and two nephews. Andrew's parents have always taught the importance of family and brotherly love. Andrew loves to play volleyball and pickleball. Volleyball is a big part of his family. He even earned a full scholarship to play volleyball in college. He graduated high school in 2006 and went on to graduate from Lindenwood University with a Masters Degree.

a little about

MEGAN

Megan grew up in a small town in North Carolina. She has two older brothers. Her parents have been married for 55 years. She is an Aunt to two nephews and six nieces. Family has always been very important to her, and regardless of where she's been in life she keeps them as a top priority. Her favorite sports are swimming and basketball. She graduated high school in 2006 and went on to graduate from East Carolina University with her bachelors degree and University of Colorado with her doctorate.

HOW ANDREW THINKS OF MEGAN

Megan is my partner in life and my best friend. I love her very much, and I feel that she is one of the most generous, caring, loving, and thoughtful people I know. She makes me a better person and continually motivates me. I feel very blessed to be married to her and have her in my life. More than my wife, Megan, is the mother of our children. There is no doubt her heart has more than enough room to be a great mother to another baby and that we will continue to make an outstanding team as parents.

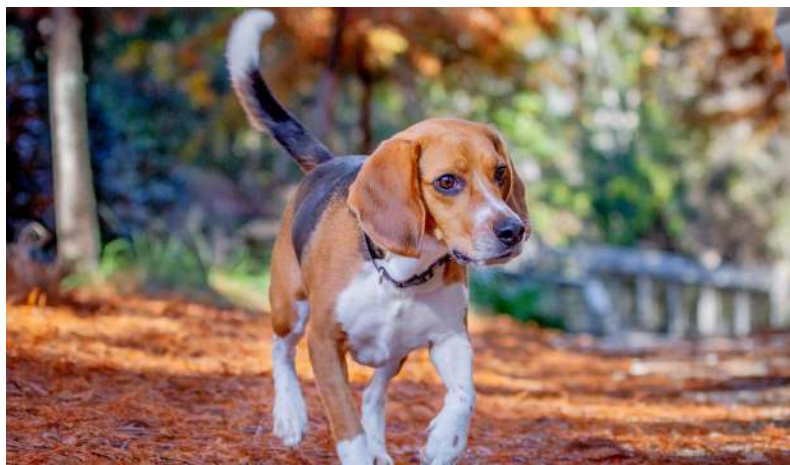

HOW MEGAN THINKS OF ANDREW

Andrew is a wonderful husband and dad! We work, play, and laugh together daily. He has a heart for Christ and leads our family with love and integrity. He's compassionate, loyal, and strong. He is attentive and interactive as a husband and father. It is a joy to watch him play with our children and teach them new things every week. If I ever doubt myself or get discouraged, he is always there to build me up. I love Andrew and can't wait to see him continue his journey into fatherhood.

OUR *home* AND NEIGHBORHOOD

We live in a family oriented neighborhood, with multiple parks, and walking trails within driving distance. Our favorite places to gather in our house are our playroom and back yard because it is where we spend time together playing!

Adventures

Together we love to see and experience new places and people! We try to soak in as much as we can each year, whether it's around our home or a far off destination. Recently we had the opportunity to go to Disney World for a family vacation and to Branson, Missouri to visit family.

Our promise to you...

We have always dreamed about being parents to a house full of children that we could raise in a loving home! We are excited to be expanding our family through adoption once again. We have so much love to share with a child. Lincoln, Silas, and Lillie will make the best big brothers and sister! We raise each of our children to know that they are one-of-a-kind, unconditionally loved, and have so much to offer this world. Please always know we will unconditionally love and cherish your child and we will make sure that he/she will be proud to be adopted. We hope this book gave you a look into our lives and we look forward to hearing from you. Thank you for taking the time to read this.

Sincerely,
Andrew & Megan
