We will honor and respect any type of adoption that you choose, open, semi-open, or even closed. We promise to respect what ever level of communication you desire. We will respect your wishes.

We LOVE our daughter's Birth Mom! We will never be able to tell her how much we love her, or what a miracle she has been in our lives. She will forever mean the world to us.

We love to talk & share photos with her birth family. We have gone to visit her Birth Mom twice a year since our daughter was born. It's fun to spend time at waterparks, shopping, eating out and enjoying each other's company.

HOME

We live in Wisconsin. We built our home in 2014. We live next to a lake and enjoy boating, swimming & fishing. There are lots of parks & fun things to do near our home.

sweet dreams

Our home has a nursery that is ready to decorate for baby! We left it plain for now, and look forward to picking out all the babies favorite colors and themes. More than anything, our home is full of love and has been ready and waiting for baby for so long.

FAMILY

We enjoy spending lots of time with our parents. Jill's parents live very close. Pa & Mimi love to come over often and hang out. We are blessed to have supportive family that lives so close.

Jill has the ability to work from home. When she does, her father comes and watches Nola and takes her on adventures.
